前言

亲爱的同学们：

你们好！欢迎大家继续使用仁爱版初中英语教材，让我们一起徜徉于知识的海洋！

仁爱版初中英语教材是由加拿大英语专家Jim Greenlaw博士和北京市仁爱教育研究所数十位英语专家及中国最优秀的英语教师，依据教育部《义务教育英语课程标准（2011年版）》，针对中国5000多万初中学生的英语学习现状编写而成的初中英语教材，它将陪伴大家度过绚丽斑斓的初中生活。

通过七、八年级的学习，你们已经具备了一定的英语语言知识和技能。在九年级阶段，你们的综合语言运用能力将得到进一步提升。本册教材共有两个单元，在这两个单元中，你们将接触到中外名胜、文化名人以及文学名著等内容。当然，康康和他的小伙伴们故事仍在继续。他们还多了一位新朋友——苏珊娜。苏珊娜刚来中国，康康和简带她游玩了故宫博物院。她也邀请康康去家里做客，并谈论了国外的一些名胜古迹；康康和玛丽亚都喜欢科幻电影，他们将和简一起去电影院看电影；史蒂夫和杨老师参观了文学社，谈论了李白和莎士比亚以及他们的作品；毕业的日子临近了，他们都在忙碌地准备毕业典礼。相信你们会乐于融入到他们的学习、生活中，并逐步学会用英语谈论这些话题；你们还将有很多机会参与到双人或小组活动中去，与同伴们一起用英语完成任务，如：角色表演、海报制作、小组辩论、童话故事编写等有趣的活动，并在每个话题结束时表演或展示自己的作品。

同学们，马上就要毕业了，在本册教材中，我们将会进一步巩固前几册学过的语言知识与结构。希望大家在此阶段对自己所学的英语知识进行系统的梳理，并结合前五册教材的内容进行综合复习，从而形成完整的知识体系。

此外，由于我国现阶段还有少部分农村地区因师资欠缺、开课不足等原因使该部分地区的孩子们的英语基础十分薄弱，为此我们在七年级上册设计并调整了第一单元作为预备学习单元，供你们选用。

同学们，希望你们能积极热情地参与教材中的活动、享受英语学习的乐趣，全面提高自己的英语听说读写能力！我们相信，只要你们认真地将6册仁爱版初中英语教材学完，你们都能达到教育部《义务教育英语课程标准（2011年版）》要求的五级英语水平，并满怀信心地迎接未来每一天的挑战！

UNIT 5 China and the World

TOPIC 1 China attracts millions of tourists from all over the world.

Section A

1a Listen, look and say.

(It's been two years since Mr. and Mrs. Green came to China. Their daughter, Susanna, has just come to live with them. She knows very little about the country.)

Susanna: Mom, how much do you know about China?

Mrs. Green: A lot. China is a great country that has about 5 000 years of history. There are many places of interest which attract millions of tourists from all over the world every year.

Susanna: Is that so? Are there any beautiful mountains?

Mrs. Green: Yes. And some of them are very famous, such as Mount Tai, Mount Huang, Mount Song and Mount Emei.

Susanna: What about rivers?

Mrs. Green: There are a great number of rivers in China. Among them, the Changjiang River is the longest one and the second longest is the Huanghe River. They're the birthplaces of Chinese culture.

Susanna: Anything else?

Mrs. Green: My dear, I think you should get to know more about China by yourself. I can fetch you *Guide to China*. It's a book which introduces China in detail.

Susanna: Thanks, Mom.

The Great Wall

The Great Wall of China is one of the greatest wonders of the world. The entire wall, which has many branches, is about 8 800 kilometers long. It stretches from Shanhaiguan in the east to Jiayuguan in the west.

The construction was begun during the Warring States Period, which was about 2 500 years ago. The states of Qin, Wei, Zhao, Qi, Yan and Zhongshan all built walls to protect their people. The first emperor, Qin Shihuang, joined all these smaller walls together to make the Great Wall.

These early walls that were made of packed earth and wood wore away in the rain and wind. Few of these walls remain. Most of the Great Wall that can be seen today was built during the Ming dynasty. It was made of stone and brick that would last longer.

The Great Wall was first built by ancient people to separate them from their enemies. Those Ming dynasty rulers did not expect that it would later be used to bring tourists into China. It is said that he who has never been to the Great Wall is not a true man. The Great Wall is a treasure of Chinese civilization and it is regarded as a symbol of the Chinese nation.

A. China's Long History of Tea B. China's Tea Culture C. Tea Drinking in China

The home of tea, which has more than 4 000 years of history, is China. People throughout China drink tea daily. Of the three major drinks — tea, coffee and cocoa, tea is drunk by the largest number of people in the world. Tea from China, along with silk and porcelain, began to be known by the world over a thousand years ago and has been an important Chinese export since then.

The words for "tea" in different languages came from the Chinese character, "cha". The English word, "tea", sounds similar to the pronunciation of it in Xiamen, Fujian Province. The Russians call it "cha'i", which sounds like "chaye" (tea leaves) as it is pronounced in northern China. The Japanese character for "tea" is written exactly the same as it is in Chinese, though it is pronounced a little differently.

Tea leaves are produced mainly in the south of China because of the mild

TOPIC 2 He is really the pride of China.

1a Listen, look and say.

(Susanna found a picture in the book, *Guide to China*. Now she is asking Mr. Gao about it.)

Susanna: Mr. Gao, who is the man in the picture?

Mr. Gao: Confucius, a pioneer in the field of education. He was born in the year 551 B.C. He was a great thinker who had many wise ideas about human nature and behavior. His main ideas are about kindness and good manners.

Susanna: Could you tell me more about him?

Mr. Gao: Of course. He was also a famous philosopher whose wise sayings have influenced many people in different countries. For example, one of his famous sayings, “He who learns but does not think is lost; he who thinks but does not learn is in danger”, tells us the importance of learning and thinking.

Susanna: He was really a great man from whom I can learn a lot.

1a Look, listen and say.

(Susanna and Kangkang are talking about Zheng He.)

Susanna: You know, I am becoming more and more interested in China's history these days. Could you tell me something about the person named Zheng He?

Kangkang: Sure. Zheng He was born in 1371. He was a Ming dynasty explorer whom we Chinese people are proud of.

Susanna: Why do you think he was great?

Kangkang: Because, as a captain and palace official, he led seven ocean journeys from 1405 to 1433. At that time, the compass played an important role in his sailing. He even succeeded in sailing to the east coast of Africa. His last ocean journey was more than half a century earlier than Columbus' first journey to America.

Susanna: It's hard to believe! What a great explorer! He is really the pride of China.

Kangkang: Yes. Unfortunately, he died of illness on his way home from Africa in 1433.

Susanna: Oh, what a shame! Thank you for telling me so much.

Kangkang: My pleasure.

Qian Xuesen — the Father of China's Missiles

Qian Xuesen was born in Hangzhou, Zhejiang Province on December 11, 1911. After his graduation from Shanghai Jiao Tong University in 1934, he traveled across the Pacific Ocean to the United States for further study. There he received his Ph.D. degrees in both aerospace and mathematics. After he graduated, he became a teacher as well as a researcher who studied rockets and missile theories.

He made important contributions to the missile and space programs in China. When he returned to his motherland in 1955, the country's space research was almost a blank. In 1956, he set up the first research institute of rockets and missiles. From then on, he was in charge of developing China's missile, rocket and spacecraft research programs. He was a pioneer in these related fields and was honored as "The Father of China's Missiles". He is the pride of the Chinese people.

He passed away on October 31, 2009 at the age of 98, but he is a man who still encourages Chinese youth. His devotion to his country was expressed in his saying, "My career is in China, my success is in China and my destination is in China!" When someone said he could make much more money if he stayed in the United States, he laughed and said, "My family name is Qian, but I don't like *qian*."

1b Read 1a and complete the following tasks.

1. What happened to Qian Xuesen in the following years? Write them down.

1911: _____

1934: _____

1955: _____

1956: _____

2009: _____

2. Answer the following questions.

- (1) What happened after Qian Xuesen graduated from Shanghai Jiao Tong University?
- (2) Why did Qian Xuesen come back to his motherland from the USA?
- (3) What contributions did Qian Xuesen make to the development of aerospace in China?

Look at the pictures and match the Four Great Inventions of ancient China with them. Then fill in the blanks with the names of the Four Great Inventions.

A. gunpowder

B. printing

C. paper-making

D. compass

_____ It was a great gift to the world from ancient China. Before it was invented, sailors had to depend on the star to find the right direction. After it was invented, the oceans were open to sail. And many discoveries were made with its help.

_____ It was one of the greatest inventions. It is said that in the 3rd century a Chinese man wrote about how to make it. At first, it was used for making fireworks. At the end of the Tang dynasty, people began to use it in wars. The method of making it was brought to the Arab world and Europe in the 13th and 14th centuries.

_____ Before it was invented, the ancient Chinese carved characters on animal bones and stones. China was the first country in the world to make it. During the Western Han dynasty, it was made in some places in China, and was developed in the Eastern Han dynasty by Cai Lun. He made it with bark, ropes and rags.

_____ It was developed in the Song dynasty by Bi Sheng. He carved characters on pieces of clay or wood, and then brushed ink on them. After the characters were printed on paper, the pieces of clay or wood could be used again. Later this technology spread to Korea, Japan and Europe. It was the basic method used at that time.

1b Read 1a and answer the following questions.

1. How did the sailors find the right direction before the compass was invented?
2. When was the method of making gunpowder brought to the Arab world and Europe?
3. What did Cai Lun use to make paper at that time?

Work in pairs and put the following statements about Abraham Lincoln in the correct order. Then read the passage and check your answers.

- | | |
|------------------------------|---|
| 1. He left home. | 2. His father remarried. |
| 3. He was elected president. | 4. His mother died. |
| 5. He set the slaves free. | 6. He received a law license and became a lawyer. |
| 7. He was born in 1809. | 8. He was shot and died the next day. |

Abraham Lincoln was born in Kentucky in 1809. His mother died when he was ten years old. Later, his family moved to Illinois and his father remarried. The family was poor, so they had to struggle just to live. In Illinois, there were neither teachers nor schools, but Lincoln's stepmother encouraged him to study. He learned to read and write while working on the farm.

At twenty-one, Lincoln left home. He soon received a law license and became a lawyer. People trusted him and began to call him "Honest Abe".

During the following years, he took a more active part in politics. Soon he was not only a highly respected lawyer but also a well-known politician. He was elected the sixteenth president of the United States in 1860, and in the next year the Civil War broke out.

The Civil War was between the southern states that wanted to leave the Union and form their own country, and the northern states that wanted to keep all the states as one country. The southern states wanted to keep the laws that allowed them to own slaves. Both the northern states and President Lincoln wanted to get rid of those laws. On April 9, 1865, the Civil War ended and all slaves were set free.

Less than a week later, on April 14, 1865, Abraham Lincoln was shot at the Ford Theatre in Washington, DC. He died the next day from his wounds.

A. The Great Pyramid B. The Seven Wonders C. The Largest Pyramid

The Egyptian pyramids were built around 2 560 B.C. The largest one of them is the Great Pyramid of Khufu. It is one of the Seven Wonders of the World. The King, Khufu, built the Great Pyramid as his tomb. Studies show that it took 100 000 people over 20 years to complete it.

The Great Pyramid was considered a unique building in the 19th century A.D. At that time, it was still the tallest building in the world. According to scientific research, the ancient King, Khufu, ordered his men to build the Great Pyramid stone by stone. The biggest stone weighs as much as 15 tons. Each stone was fixed so well, though the ancient workers didn't

have any modern tools. The Great Pyramid has four sides and each side is 230.4 meters long and 146.5 meters high. At that time, there were no modern machines or equipment, so how did the ancient Egyptians build the Great Pyramid? To this day, it is still a mystery. But many scientists continue to study their methods. The completion of the Great Pyramid shows the wisdom and the achievements of ancient Egyptian working people.

Functions

It is hard for me to learn to play Chinese chess.

In my spare time, I prefer watching TV.

I would rather watch sports shows than those ones.

You look a little tired today. Are you all right?

Wow! I'm very interested in them, too.

How well do you know Sections A-C? Now do the following tasks and check.

1a Skim the passage to find out its topic sentence and underline it.

In China, television is very popular. Many people spend most of their spare time watching it. It has a huge influence on people's lives. Is all this television good for us or bad for us?

As is known to all, television is one of the most important ways of getting information, such as the news all over the world, history, culture and interesting stories. It provides us with a more lively way to discover the outside world. Also, we can see great movies, operas and concerts. Therefore, television is not only a way we learn about the world, but also a good entertainment.

However, many people think television is bad for us. They say that all the violence on TV makes people become violent. Violence can give children bad ideas. TV can also make people lazy. Instead of doing outdoor activities, they usually sit in front of the screen for hours enjoying the funny shows and cartoons without a break.

In general, the problem is not television, but the programs we choose to watch. We have learned how to choose the best in newspapers, books and magazines. Now we have to learn to do with television programs, too. After all, it's our choice.

1b Read 1a and complete the table.

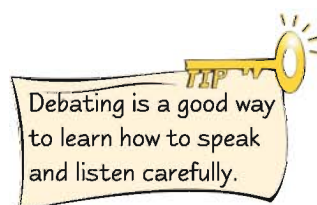

Television	
Advantage	Disadvantage
1. an important way of _____	1. _____ on TV makes people violent
2. a good _____	2. makes people _____
We should learn to _____ television programs.	

2 Work in pairs and exchange your ideas about the advantages and disadvantages of TV. You can add more information.

Example:

A: I think TV is useful. It helps people relax...

B: I'm afraid I don't agree with you. TV makes people lazy...

TOPIC 2 Who is your favorite character in literature?

Section A

1a Listen, look and say.

Michael: Kangkang, who is your favorite character in literature?

Kangkang: The Monkey King is my favorite character in Chinese literature. He is a hero in the novel called *Journey to the West*, which is one of the four classic novels of Chinese literature.

Michael: Oh, but I like Harry Potter better. I think he is the bravest character I've ever known.

Kangkang: Maybe you are right, but I prefer the Monkey King. He is funny and clever.

Jane: They are certainly heroes. And I think friends are helpful in both stories. In order to help Harry, his friends read many books and discovered the best way to defeat their enemies.

Kangkang: Yes, his friends are wise and helpful just like Sandy and Pigsy. In fact, it was Sandy and Pigsy who helped the Monkey King win every battle. In my view, neither the Monkey King nor Harry Potter would become a hero without the help of their friends.

Jane: That's true! One tree can't make a forest.

1b Listen to 1a and fill in the blanks with the given words.

the Monkey King	battle	friends	enemies	brave
Harry Potter	hero	clever	funny	discovered

1a Look, listen and say.

(Steve and his Chinese teacher, Miss Yang, are now visiting a literary society.)

Steve: Look, Miss Yang! A picture of Li Bai. I read his poem *Still Night Thoughts* last night. It was easy to understand and very moving. Do you know anything about his life and poetry?

Miss Yang: Yes, Li Bai lived during the Tang dynasty. He is considered to be one of the best romantic poets in China. In his lifetime, he wrote a lot of poetry. More than 900 of his poems are still read today.

Steve: The passage I read about him said that he was as great as the British poet William Shakespeare. Look, there is his picture!

Miss Yang: I agree. Li Bai and Shakespeare were both very important poets. You know that Shakespeare was also a famous playwright. Many of his plays were about British history while others were comedies and tragedies. His most famous dramas were about the dark side of human nature. *Hamlet* and *Romeo and Juliet* are examples of this kind of plays.

Steve: Yes. *Romeo and Juliet* is very popular around the world, and one of the saddest scenes in this play is when Juliet kisses Romeo and then dies.

1a Read and understand.

Describe the rainbow in the picture and tell your partner how you feel when you see it. Then read the poem in the passage to check it.

William Wordsworth was one of the leading British poets from 1800 to 1850. He grew up in the Lake District in northwest England. His parents died when he was a child, and his life with his grandparents was not very happy. To feel better, he loved to go for long walks in the mountains or to take boat rides. He had a strong imagination, and wrote poems about the power, beauty and mystery of nature.

After he graduated from Cambridge University, he moved to France. A few years later, he returned to the Lake District and began to write poems about nature. He often created his poems during long walks. And then he told them to his sister, Dorothy, who wrote them down for him. Unlike other poets before him, Wordsworth used simple language in his poems, and he described the lives of common people. In one poem, Wordsworth explained how happy he was each time he saw a rainbow:

*My heart leaps up when I behold
A rainbow in the sky;
So was it when my life began;
So it is now I am a man;
So be it when I shall grow old,
Or let me die!
The Child is father of the Man;
And I could wish my days to be
Bound each to each by natural piety.*

1b Read 1a and answer the following questions.

1. Why did William Wordsworth love to take long walks in the mountains when he was young?
2. What are his poems mainly about?
3. When did he usually get the inspiration of writing a poem?

4. How did he write his poems down?

5. What makes Wordsworth's poems different from those of other poets?

They are Jim's gold watch and Della's long beautiful hair, which are the only wealth for them. Della had her hair cut, sold it and bought a gold watch chain for Jim. Now, Della is at home.

(All of a sudden, the door opens and Jim comes in.)

J: You—?

D: Jim. Don't look at me that way. I had my hair cut off and sold it because I couldn't have lived through Christmas without giving you a present. Jim, it will grow quickly. Say "Merry Christmas!" Jim, and let's be happy.

J: You've cut off your hair?

D: I've cut it off and sold it. It's sold. I tell you, sold and gone, too. It's Christmas Eve, Jim. Please understand. I sold my hair so that I could give you something for Christmas.

J: Well, Della, I do understand. Don't worry. The fact that you have a different hair cut could not possibly make me love you less. I know you sold your hair for me. Now look at this present I got for you.

D: Ah! The combs. They were in the shop windows for many months!

J: Yes, the beautiful combs, with jeweled rims — just the color to wear in your beautiful hair.

D: But, Jim. They are expensive combs. I know, my heart had longed for them without the least hope of owning them. Now they are mine. Thank you, Jim.

J: Now, you will see why I was upset at first.

D: Jim, you don't know what a nice — what a beautiful gift, nice gift I've got for you. Can you guess?

J: I'm sorry. I have no idea what it could be.

D: Look! A gold watch chain! Isn't it lovely, Jim? I hunted all over the town to find it. You'll have to look at the time a hundred times a day now. Give me your watch. I want to see how it looks on it.

J: Della, let's put our Christmas gifts away and keep them for a while. They're too nice to use just at present. I sold the watch to get the money to buy the combs. Now, let's have our supper.

Graduation Ceremony

A graduation ceremony is a custom which takes place when students graduate from a school. The ceremony is usually held in a big hall or in the open air.

During the ceremony, it is common for several students to give speeches, and so do the principal and some teachers. Then each graduate receives a diploma. It shows that the student has successfully completed all the courses or has passed the examinations. After the

ceremony, students often chat with their teachers, friends and relatives who come to congratulate them. They also take photos with one another and talk about their future.

The graduation ceremony is exciting because it marks the end of a period in a student's school life. It is also sad because the time when they studied with friends has come to an end. Graduation means change, and leaving unforgettable faces and places behind. However, change always brings about new possibilities.

**1b Read 1a and answer the following questions.**

7 Read the passage and answer the following questions.

Sand and Stone

Two friends were walking through the desert. During the journey they had an argument, and the taller boy slapped the shorter one in the face. The shorter boy was hurt. But without saying anything, he wrote in the sand, "Today my best friend slapped me in the face."

They kept on walking till they found a pond. And they decided to take a bath there. But the shorter boy got stuck in the mud and started to sink. He cried, "Help! Help!" Luckily, he was pulled to safety by his friend. After that, he carved on a stone, "Today my best friend saved my life."

The taller boy asked him, "After I hurt you, you wrote it in the sand, but now you carve it on the stone. Why?"

The shorter boy replied, "When someone hurts you, you should write it in the sand from which the wind can erase it easily. However, when someone does something good for you, you should carve it on a stone from which the wind can never erase it."

- (1) Why did the taller boy slap the shorter one in the face?
- (2) How did the shorter boy feel and what did he do?
- (3) What did the taller boy do when the shorter one was stuck in the mud?
- (4) What did the shorter boy do after he was safe?
- (5) What did the story mainly tell us?

8 Look back on the three-year school life and recall whether some friend or classmate has done something to hurt you. Then complete the following table with key words or expressions.

What did he/she do to hurt you?	
What was your response?	
What happened next?	
What is your opinion of true friendship after the event?	

9 Write a short passage entitled *The True Friendship* based on the information in 8.

2. He had a strong imagination, and wrote poems about the power, beauty and mystery of nature. 他(威廉·华兹华斯)想象力丰富,创作了有关自然力量、自然美景与自然奥秘的诗歌。

3. My heart leaps up when I behold

A rainbow in the sky;
So was it when my life began;
So it is now I am a man;
So be it when I shall grow old,
Or let me die!
The Child is father of the Man;
And I could wish my days to be
Bound each to each by natural piety.
每当天边的彩虹映入眼帘
我的心便会欢悦雀跃;
在生命初绽的童年时如此;
到已是成年的今天仍然如此;
将来老去也会如此,
否则不如一死了之!
孩童是成人之父;
我希望生命中的每一天
都跃动着对自然的虔诚与敬慕。

《我心雀跃》(*My Heart Leaps Up*)是19世纪英国伟大诗人威廉·华兹华斯的名作。诗虽短,却展示并歌颂了大自然的永恒魅力和诗人对大自然的虔诚与敬慕之情。作者认为从大自然中汲取养分的最佳途径莫过于永葆一颗天真无邪、敏感好奇的童心。在诗歌中,作者将成熟的自我与儿时的自我紧密联系,聆听自然的呼唤,显示了平凡之中永不泯灭的童心。“孩童是成人之父”一句使用了矛盾修饰法,其含义是:人的童年往往预示着未来的发展方向,成年的轨迹在童年已见端倪。该句已成为英语名言。

which takes place... 是定语从句,修饰 custom; when 引导的时间状语从句修饰该定语从句中的动词词组 take place。

2. It is also sad because the time when they studied with friends has come to an end. 它(毕业典礼)也是令人伤感的,因为和朋友一起学习的时光已经结束。

3. Graduation means change, and leaving unforgettable faces and places behind. 毕业意味着变化,意味着把那些难以忘却的面孔和地方留在记忆深处。

Grammar 语法

I. 定语从句 II (Attributive Clauses II)

1. 在复合句中,修饰名词或代词的从句叫做定语从句。被定语从句修饰的名词或代词叫做先行词。定语从句放在先行词的后面,由关系代词或关系副词引导。如:

China is a great **country** that has about 5 000 years of history. 中国是一个有着约五千年历史的伟大国家。

Do you remember **everything** that I told you? 你记住我告诉你的每一件事了吗?

以上两句中的 country 和 everything 是先行词, that 为关系代词,分别在定语从句中充当主语和宾语。

2. 引导定语从句的关系代词有 that(指人或物), which(指物), who(指人), whom(指人), whose(指人或物)。引导定语从句的关系副词有 where(地点), when(时间), why(原因)。关系代词或关系副词放在先行词和定语从句之间,起连接先行词和定语从句的作用,同时又在定语从句中充当一个成分。

3. 定语从句的谓语动词需与先行词保持人称和数的一致。如:

There are some **TV programs** that **are** good for children. 电视上有一些对孩子们有益的节目。

I know the **girl** who **draws** well. 我认识那个擅长画画的女孩。

由关系代词和关系副词引导的定语从句

关系代词和关系副词		例句
that 在从句中作 主语或宾语	指物	Mount Tai that lies in Shandong Province is well-known to the world.(作主语) That's the most interesting story (that) I have ever heard of .(作宾语)
	指人	Who is the man that is reading a book over there ? (作主语) The girl (that) we saw yesterday is Jim's sister.(作宾语)
which 在从句中作 主语或宾语	指物	It's a book which introduces China in detail .(作主语) This is the place (which) he would like to visit .(作宾语) The house in which Lu Xun once lived is now the Lu Xun Museum.(作宾语)
who 和 whom 在从句中 分别作主语、宾语	指人	The tall man who is playing basketball is Yao Ming.(作主语) That's the girl (whom) I met at the party yesterday .(作宾语)
whose 在从句中作定语	指物	He is the owner of the house whose roof is being repaired .(作定语)
	指人	Is this the boy whose parents went to Canada last year ? (作定语)
when, where 和 why 在从 句中分别作时间状语、地 点状语和原因状语		I will never forget the day when we first met in a park .(作时间状语) This is the house where Deng Xiaoping once lived .(作地点状语) This is the reason why you should leave .(作原因状语)

注:

(1) *that* 和 *which* 在从句中作宾语时,在口语和非正式文体中常省略;作主语时,不能省略。*that* 指物时通常可与 *which* 互换。*whom* 在从句中作宾语时,通常可用 *who* 或 *that* 代替,也常省略。

(2) 关系代词 *whom* 和 *which* 在从句中作介词的宾语时,可以跟介词一起放在先行词和从句之间(此时关系代词不能省略),也可把介词放在从句中有关动词的后面(此时关系代词可省略)。如:

The beautiful lady **to whom** you just talked is Miss Zhang. = The beautiful lady (**whom**) you just talked **to** is Miss Zhang. 刚才和你谈话的那位漂亮的女士是张老师。

某些带有介词的动词短语属于固定搭配,拆开影响词义,此时介词仍放在动词之后。如:

This is the book (*which*) I'm **looking for**. 这正是我要找的那本书。

(3) 关系代词 *who* 和 *that* 作介词的宾语时,介词只能放在从句中有关动词的后面。如:

The friend (*who/that*) I am traveling **with** speaks English. 和我一起旅游的那个朋友说英语。

The town (*that*) he lives **in** is far away from here. 他住的那个小镇离这儿很远。

(4) 当先行词是 *all*, *anything*, *something*, *nothing*, *everything*, *none* 等不定代词时,关系代词一般只用 *that*。如:

That's **all** *that* I could do at that time. 我当时只能做那么多了。

(5) 当先行词被形容词最高级、序数词以及 *last*, *any*, *only*, *few*, *much*, *no*, *very* 等词修饰时,关系代词常用 *that*。如:

This is **the best** hotel *that* I know. 这是我所知道的最好的旅馆。

(6) 先行词既指人又指物时关系代词只能用 *that*。如:

Maria took photos of **the things** and **people** *that* she was interested in. 玛丽亚把她感兴趣的人和物都拍了下来。

II. 并列连词(Coordinating Conjunctions)

并列连词连接分句或各种并列关系的句子成分。

1. *either ... or ...* 或者……或者……; 要么……要么…… 如:

Either you come in person, *or* you ask someone to deal with it. 要么你亲自来, 要么你委托别人过来处理。(连接分句)

She can not only sing but also dance well.她不但歌唱得好,而且舞也跳得好。(连接谓语)

III. 主谓一致 (Agreement of Subject and Predicate)

主谓一致是指句子的主语和谓语动词在人称和数方面的一致。英语的主谓一致大致可分为三类:语法形式上的一致;意义上的一致;就近一致。

1. 语法形式上的一致

主语是第三人称单数形式,谓语动词也用单数形式;主语是复数形式,谓语动词也用复数形式。如:

Many students **are** going to the park tomorrow.许多学生明天要去公园。

Jim **has** a nice kite.吉姆有一个漂亮的风筝。

在语法主谓一致中要注意以下几种情况:

(1)由 and 连接两个名词时,谓语动词一般用复数形式,但当 and 连接的两个名词指的是同一个人或同一事物时,谓语动词用单数形式。如:

Tom and Mary **go** to school by bus every day. 汤姆和玛丽每天乘公共汽车上学。

Both meat and bread **are** eaten up. 肉和面包都吃光了。

The writer and speaker **is** giving a speech on Chinese culture in her hometown now. 这个作家兼演讲家现在正在她的家乡做关于中国文化的演讲。

(2)“either/each/every/no+单数名词”作主语,谓语动词用单数形式。如:

Each of us **has** a new computer.我们每人都有一台新电脑。

No student **likes** this kind of computer game.没有一个学生喜欢这款游戏。

注:

(1)no 后面也可以跟名词的复数形式,其谓语动词相应需用复数形式。如:

No children **like** this subject.孩子们都不喜欢这门课。

(2)none of 作主语时,如果其后的名词是不可数名词,谓语动词用单数形式;如果是可数名词,谓语动词用单数或复数形式均可。如:

None of the water **was** left.水一点儿也没有剩。

None of the students **has/have** ever been to the island.学生中谁也没去过那座岛。

(3)either (neither) of 后跟复数名词或代词时,谓语动词用单数或复数均可。如:

Neither of my parents **is/are** interested in Beijing Opera.我父母都不喜欢京剧。

2. 意义上的一致

(1)当表示时间、金钱、距离、度量衡等的复数名词或短语作主语时,一般将其看作一个整体,

谓语句常用单数形式。如：

Seven hours **is** really a very long time. 七小时的时间真长。

Four hundred dollars **is** enough for this trip. 四百美元对这次旅行来说足够了。

Nine kilometers **is** not very far. 九千米不算远。

(2) 集体名词如作为整体, 谓语句用单数形式; 如强调其中的每一个成员, 则用复数形式。如：

His family **is** a big one. 他的家庭是一个大家庭。

The family **were** having supper when I dropped in. 当我顺路拜访时, 这家人正在吃晚餐。

常见的集体名词有 group, team, class 等。但是 police 和 people 作主语时谓语句都要用复数形式。如：

The police **are** helping people enter the hall. 警察正在帮助人们进入大厅。

3. 就近一致

(1) 当连词 or, either ... or ..., nor, neither ... nor ..., not only ... but also ... 等连接主语时, 谓语句的单复数形式取决于最靠近它的主语。如：

One or two friends **are** coming this evening. 一两个朋友今晚要来。

Neither you nor she **is** an engineer. 你和她都不是工程师。

Not only I but also Tom **has** a car. 不但我有一部车, 汤姆也有一部。

(2) 在 there be 句型中, be 动词的单复数形式取决于最靠近它的名词的单复数。如：

There **is** a pen and two pencils on the desk. 课桌上有一支钢笔和两支铅笔。

There **are** two pencils and a pen on the desk. 课桌上有两支铅笔和一支钢笔。

后 记

本册教科书由北京市仁爱教育研究所依据教育部《义务教育英语课程标准(2011年版)》编写,经教育部基础教育课程教材专家工作委员会2013年审查一次性通过。

自教育部2011年7月下发《义务教育英语课程标准》(送审稿)之日起,北京市仁爱教育研究所的数十位英语教材编写专家及近百位教材编写人员在加拿大主编Jim Greenlaw博士和中方主编王德春教授、副主编杨晓钰教授的领导下,对仁爱版初中英语教材进行了深入、细致的修订改编工作。

修订后的仁爱版初中英语教材更加注重培养学生的语感和良好的语音、语调基础,使他们形成用英语进行日常交际的思维和能力的;注重培养学生良好的学习习惯,提高他们自主学习的能力;注重培养学生的观察、记忆、思维、想象和创造能力,促进心智和综合人文素养的全面发展。同时,仁爱版初中英语教材还注重培养学生的爱国主义精神及跨文化交际意识,为学生的进一步学习奠定良好的基础。

在教材修订的过程中,我们所有参与教材修订的专家、教授、编写、审校人员每天坚持工作10个小时以上(包括兔年大年三十至龙年正月初九以及所有的节假日和公休日),一直连续坚持工作到教材送审截止日期的最后一天下午。**我们执着的追求最后终于获得了丰厚的回报**——在2012年1月31日开始的第一阶段送审(七上一七下)和2012年12月31日开始的第二阶段送审(八上一九下)的过程中,仁爱版初中英语教材均分别于**2012年3月17日和2013年3月2日率先一次性通过**教育部基础教育课程教材专家工作委员会审查(唯一一套无需参加2012年4月9日和2013年4月8日的再次会议复核审查),且2012年3月17日第一阶段和2013年3月2日第二阶段审查通过的唯一结论要求均是:**请参照修改意见自行修改。**

仁爱版初中英语教材在编写及数百次的修改、审校过程中得到了全国诸多英语教育专家、教研员和优秀一线教师的指导与帮助,其中有:王晓、李琨、陈叶瑶、陈明、宗泽、高卫红、郭俊丽(按姓氏笔画排序)等同志。同时,仁爱版初中英语教材的每一次修改、审校还吸纳了很多教研员和一线教师的宝贵意见。在此,北京市仁爱教育研究所向他们表示诚挚的谢意!

由于时间的关系,教材中可能还存在不足及需要完善之处,衷心希望广大英语专家、教研员、一线教师、在校学生及学生家长等来电来函批评指正,以便下次修订时改正。

本教科书的绝大部分(99%以上)作品均为北京市仁爱教育研究所原创作品,极少部分(1%以下)选用的经典作品、图片由于无法与作者取得联系,特委托北京版权代理有限公司向权利人转付稿酬。请您与北京版权代理有限公司联系并领取稿酬。联系方式:(010)82357058/57/56
